

Parental Partnership: Dress Code

To enable students to reach high academic standards, the school has put in place a dress code designed to reduce distractions and competitions. Implementing a simple, flexible, cost-effective dress code promotes student learning and increased academic instruction time.

Personal Hygiene

The personal grooming of students should be in accord with the standards set by the uniform dress code. Students should be clean and neat when at school. Students who have been sent home with head lice may not return to school until they have been treated with a proper head lice treatment shampoo and do not have evidence of lice.
